

Aleksandar Jevtimijevic

WordPress Developer & Designer

aleksandar@jevtimijevic.com • [+381 60 6999680](tel:+381606999680) •
jevtimijevic.com • Krusevac, Serbia

Over 10 years of experience in designing and developing websites.

I specialize in responsive, mobile friendly WordPress websites, theme customization, creating custom FSE themes as well as modifying existing themes, plugins, and writing custom code needed to achieve my client's goals.

EXPERIENCE

Freelance WordPress Developer & Designer

2014 – Present

- I've worked extensively with a multitude of domestic and international clients both on and off platforms like Upwork and Fiverr. My expertise lies in crafting tailored, high-quality WordPress solutions, continuously staying updated with the latest trends to deliver exceptional results.

SKILLS

- WordPress theme customization & development
- Website maintenance, security & speed optimization
- Website migration, troubleshooting and debugging
- HTML, CSS, JavaScript, PHP and MySQL proficiency
- Search engine optimization (On-Page SEO)
- UI / UX Design
- Web Hosting, CDN & Domain Setup
- Adobe Creative Suite (Photoshop, Illustrator)
